How to use the templates

1. Create an account on CANVA (it`s free)
2. Click on the links on the next page (each link contains a different card size)
3. You will be redirected to CANVA
4. CANVA will create a copy of the template
5. Edit the template by changing the fonts, colors, text and uploading your logo
6. Export your document and send it to print

The colors and the fonts we have in the file are 100% customizable. We encourage you to use your own fonts, colours, logo to make it unique to you.

FOR THE BEST EDITING EXPERIENCE

We recommend using Canva on your desktop or your Mobile Phone Google Chrome browser. We know some of you prefer to use the Canva app and that's okay. Just know the app can be buggy at times and you may need to contact Canva help desk for software support.
