

40 CÂU LỆNH VỀ TRANH VỚI MIDJOURNEY

Chủ đề:

*Xe Máy Hiện Đại Trong
Tương Lai Và Những
Chuyến Hành Trình*

LỜI MỞ ĐẦU

Chào mừng bạn đến với ebook đặc biệt này, nơi chúng tôi sẽ hướng dẫn bạn qua một hành trình sáng tạo và tận hưởng nghệ thuật của việc vẽ tranh tô màu với chủ đề đầy hứng khởi: "Xe máy hiện đại trong tương lai và những chuyến hành trình."

Midjourney không chỉ là một công cụ, mà là một trải nghiệm nghệ thuật độc đáo, giúp bạn biến ý tưởng của mình thành những tác phẩm hùng vĩ và đầy tâm huyết. Trong ebook này, chúng tôi sẽ dẫn dắt bạn qua quá trình sáng tạo từng bước, từ việc khám phá ý tưởng cho bức tranh đến cách thức sử dụng midjourney để làm cho chiếc xe máy trong tương lai và các chuyến hành trình trở nên sống động và ấn tượng.

Hãy cùng chúng tôi đắm chìm vào thế giới đầy màu sắc và hiện đại, nơi công nghệ tiên tiến và tình yêu thám hiểm hòa quyện để tạo nên những tác phẩm nghệ thuật đẹp mắt. Chúng tôi tin rằng, qua từng bức tranh, bạn sẽ không chỉ học được cách vẽ, mà còn có thêm động lực để theo đuổi niềm đam mê sáng tạo của mình.

Hãy bắt đầu hành trình nghệ thuật của bạn với midjourney và cùng nhau khám phá thế giới tương lai qua đôi mắt nghệ sĩ.

Câu lệnh 1:

/imagine prompt: coloring pages for kid, A close-up view of futuristic motorbikes parked in a sophisticated showroom, soft ambient lighting highlighting their metallic textures and intricate details, a high-tech environment with holographic displays showcasing specifications, creating a mood of elegance and sophistication, Photography, macro lens capturing fine details, -ar 16:9 --v 5.0

Câu lệnh 2:

/imagine prompt: coloring pages for kid, an oil painting capturing the essence of modern motorbikes in a surreal desert landscape; reminiscent of Salvador Dali's dreamlike art; distorted perspectives, melting clocks, and avant-garde bike silhouettes; warm sepia color temperature, enigmatic expressions, soft lighting, and a dreamy atmosphere.--v 5 --stylize 1000

Câu lệnh 3:

/imagine prompt: coloring pages for kid, a Pixar 3D rendering showcasing whimsical, futuristic motorbikes in a fantastical animated world; channeling the creativity of Pixar's animation; vibrant colors, playful designs, and dynamic motion blur; multi-colored temperature, animated expressions, bright lighting, and a whimsical atmosphere.--v 5 --stylize 1000

Câu lệnh 4:

/imagine prompt: coloring pages for kid, a comic strip featuring modern motorbikes as superheroes in a bustling metropolis; influenced by Frank Miller's graphic novel style; bold lines, high contrast, and intense action sequences; varied color temperature, determined expressions, dynamic lighting, and an action-packed atmosphere.--v 5 --stylize 1000

Câu lệnh 5:

/imagine prompt: coloring pages for kid, In a cyberpunk metropolis, modern motorbikes of the future roar through the rain-soaked streets, leaving trails of shimmering water droplets behind. The riders, clad in high-tech gear, navigate through the city's reflections on the wet asphalt. The neon signs cast a surreal glow on the scene, enhancing the futuristic aesthetics. Captured by Rankin using a Sony Alpha 1 and a wide-angle lens, the lighting is a mix of rain-enhanced ambient light and high-contrast lighting, emphasizing the riders' silhouettes against the urban backdrop. 8K, Ultra-HD, Super-Resolution. --v 5.0

Câu lệnh 6:

/imagine prompt: coloring pages for kid, Modern motorbikes of the future speed through a desert landscape, their streamlined forms blending seamlessly with the arid surroundings. The riders, donned in futuristic desert attire, kick up clouds of dust as they traverse the sandy terrain. The setting sun casts long shadows, creating a warm, golden hour ambiance. Photographed by Mario Testino with a Canon EOS-1D X Mark III and a prime lens, the lighting is a combination of natural sunlight and warm backlighting, accentuating the bikes' contours and creating a cinematic feel. 8K, Ultra-HD, Super-Resolution. --v 5.0

Câu lệnh 7:

/imagine prompt: coloring pages for kid, Amidst an otherworldly forest, modern motorbikes of the future navigate through a tangle of bioluminescent plants, casting an enchanting glow on the scene. The riders, adorned in futuristic nature-inspired gear, seamlessly blend with the surreal environment. The soft glow from the bioluminescent flora creates a magical, dreamlike atmosphere. Shot by Tim Walker using a Nikon Z6 II and a macro lens, the lighting is a delicate balance of bioluminescent ambient light and soft fill lighting, capturing the mystical essence of the futuristic journey. 8K, Ultra-HD, Super-Resolution. --v 5.0

Câu lệnh 8:

/imagine prompt: coloring pages for kid, Modern motorbikes of the future, photorealistic, 8k, HD, cinematography, epic composition, Unreal Engine, Cinematic, Color Grading, Ultra-Wide Angle, Depth of Field, hyper-detailed, beautifully color-coded, insane details, intricate details, beautifully color graded, Unreal Engine, Cinematic, Color Grading, Editorial Photography, Photography, Photoshoot, Depth of Field, DOF, White Balance, 32k, Super-Resolution, Megapixel, ProPhoto RGB, VR, Halfrear Lighting, Backlight, Natural Lighting, Incandescent, Optical Fiber, Moody Lighting, Cinematic Lighting, Studio Lighting, Soft Lighting, Volumetric, Contre-Jour, Beautiful Lighting, Accent Lighting, Global Illumination, Screen Space Global Illumination, Ray Tracing Global Illumination, Optics, Scattering, Glowing, Shadows, Rough, Shimmering, Ray Tracing Reflections, Lumen Reflections, Screen Space Reflections, Diffraction Grading, Chromatic Aberration, GB Displacement, Scan Lines, Ray Traced, Ray Tracing Ambient Occlusion, Anti-Aliasing, FKAA, TXAA, RTX, SSAO, Shaders, OpenGL-Shaders, GLSL-Shaders, Post Processing, Post-Production, Cel Shading, Tone Mapping, CGI, VFX, SFX, insanely detailed and intricate, hypermaximalist, elegant, hyper realistic, super detailed, dynamic pose, photography, 8k, --ar 16:9

Câu lệnh 9:

/imagine prompt: coloring pages for kid, In this Pixar 3D masterpiece, envision future motorbikes through the lens of artist Daniel Simon. The scene unfolds with intricately designed motorcycles cruising on gravity-defying highways amidst a futuristic city skyline. The vibrant color palette combines iridescent blues and energetic reds, enhancing the dynamic nature of the concept. The lighting casts futuristic shadows, and the atmosphere is charged with technological marvel. --v 5.0 --stylize 1000

Câu lệnh 10:

/imagine prompt: coloring pages for kid, A photography lens set at 50mm captures the essence of modern motorbikes envisioned by artist Khyzyl Saleem. The cityscape forms a gritty backdrop as high-performance bikes cut through the urban chaos. Colors exhibit a mix of industrial grays, bold oranges, and muted greens, emphasizing the raw power of the machines. Rider expressions convey a mix of adrenaline and determination under moody, streetlight-lit ambiance. --v 5.0 --stylize 1000

Câu lệnh 11:

/imagine prompt: coloring pages for kid, Transport yourself into a world of futuristic motorbikes with an illustration inspired by Ash Thorp. The dynamic scene unfolds as sleek bikes weave through a cyberpunk metropolis, bathed in the glow of holographic billboards. The color palette includes deep purples and electric greens, enhancing the high-tech aesthetic. Riders sport focused expressions in the midst of acceleration, while the atmosphere radiates a pulsating energy. --v 5.0 --stylize 1000

Câu lệnh 12:

/imagine prompt: coloring pages for kid, Dive into the realm of future motorbikes through the lens of photography, using a wide-angle 24mm perspective. Picture a bustling city at dusk, capturing the essence of artist Justin Maller's vision. The modern bikes blend seamlessly with the city lights, creating a harmonious blend of technology and urbanity. Colors lean towards warm oranges and cool grays, highlighting the fusion of tradition and innovation. --v 5.0 --stylize 1000

Câu lệnh 13:

/imagine prompt: coloring pages for kid, Explore the future of motorbikes through an illustration reminiscent of Peter Jaworowski's visionary style. Imagine a cityscape dominated by colossal skyscrapers, with futuristic bikes weaving through elevated highways. The color scheme combines sophisticated blacks and vibrant neon accents, creating a visually striking contrast. Riders exude a sense of confidence, surrounded by the glow of an advanced urban environment. --v 5.0 --stylize 1000

Câu lệnh 14:

/imagine prompt: coloring pages for kid, In this digital illustration inspired by Feng Zhu, visualize a future where motorbikes seamlessly integrate with nature. Bikes traverse a surreal landscape of floating islands, surrounded by lush vegetation and waterfalls. The color palette features ethereal greens and blues, enhancing the harmony between technology and the environment. Rider expressions reflect a sense of awe, encapsulated in a serene, futuristic oasis. --v 5.0 --stylize 1000

Câu lệnh 15:

/imagine prompt: coloring pages for kid, Immerse yourself in the world of modern motorbikes through a Pixar 3D creation inspired by the ingenuity of Shusei Nagaoka. Envision the bikes racing through a digital cityscape with geometric skyscrapers and neon-lit pathways. The color palette boasts bold primary colors and futuristic metallics, enhancing the visual impact of the high-tech environment. Lighting effects intensify the sense of motion and speed. --v 5.0 --stylize 1000

Câu lệnh 16:

/imagine prompt: coloring pages for kid, Witness the evolution of motorbikes through an illustration inspired by the stylings of H.R. Giger. Envision biomechanical bikes navigating a dystopian landscape, blending seamlessly with industrial elements. The color palette is dominated by dark, moody tones, emphasizing the fusion of organic and mechanical. Rider expressions convey a sense of resilience amidst a world transformed by futuristic technology. --v 5.0 --stylize 1000

Câu lệnh 17:

/imagine prompt: coloring pages for kid, Transport yourself into the future with a digital illustration inspired by the visionary style of Sparth. Envision advanced motorbikes speeding through a cyberpunk city, surrounded by holographic advertisements. The color palette features bold, high-contrast tones, with deep blacks and vivid neons creating a futuristic visual feast. Rider expressions exude a sense of thrill, capturing the essence of high-speed urban life. --v 5.0 --stylize 1000

Câu lệnh 18:

/imagine prompt: coloring pages for kid, Witness the elegance of future motorbikes through the lens of photography, employing a fisheye 15mm perspective inspired by Jimmy Chin. Picture bikes navigating through a mountainous landscape, showcasing the harmony of man and machine against a breathtaking natural backdrop. The color palette balances earthy tones and vibrant reds, emphasizing the connection between technology and the great outdoors. --v 5.0 --stylize 100

Câu lệnh 19:

/imagine prompt: coloring pages for kid, Immerse yourself in a Pixar 3D world inspired by the creativity of Ralph McQuarrie. Envision futuristic bikes racing across a celestial highway, surrounded by cosmic wonders. The color palette incorporates celestial blues and ethereal purples, creating a sense of wonder and awe. Lighting effects simulate distant stars, adding to the interstellar atmosphere. --v 5.0 --stylize 1000

Câu lệnh 20:

/imagine prompt: coloring pages for kid, Step into a dystopian future with a digital illustration inspired by the atmospheric style of Alex Andreev. Visualize motorbikes navigating through a decaying urban landscape, surrounded by towering ruins. The color palette embraces desaturated tones, with muted grays and rusty oranges evoking a sense of post-apocalyptic melancholy. Rider expressions convey resilience in the face of a world transformed. --v 5.0 --stylize 1000

Câu lệnh 21:

/imagine prompt: coloring pages for kid, Embark on a photographic journey inspired by Ansel Adams, capturing the essence of future motorbikes in a majestic natural setting. Envision bikes maneuvering through a rugged canyon bathed in the warm hues of a setting sun. The color palette blends earthy tones and fiery reds, emphasizing the harmony of technology and the untamed wilderness. Rider expressions mirror a sense of adventure against the expansive backdrop. --v 5.0 --stylize 1000

Câu lệnh 22:

/imagine prompt: coloring pages for kid, Futuristic cityscape featuring sleek, aerodynamic motorbikes speeding through elevated highways with holographic billboards, advanced neon lighting illuminating the night, capturing the dynamic motion and futuristic design of the bikes, Photography, high-speed action shot with a 50mm prime lens, --ar 16:9

Câu lệnh 23:

/imagine prompt: coloring pages for kid, Desert landscape transformed into a post-apocalyptic wasteland, featuring heavily modified motorbikes navigating through sand dunes and remnants of a fallen civilization, capturing the harshness and resilience of the riders, 3D, realistic rendering with attention to texture and dust effects, --ar 16:9

Câu lệnh 24:

/imagine prompt: coloring pages for kid, Modern motorbike rally in a utopian city, riders adorned in high-tech racing gear, surrounded by futuristic skyscrapers and lush green parks, conveying a sense of unity and celebration, Photography, aerial shot using a drone with a wide-angle lens, capturing the scale of the event, --ar 16:9

Câu lệnh 25:

/imagine prompt: coloring pages for kid, High-altitude motorbike race on a floating platform above the clouds, featuring sleek bikes with anti-gravity technology, emphasizing the adrenaline of extreme heights and the vastness of the sky, Illustration, digital painting with emphasis on futuristic technology and dynamic composition, --ar 16:9 --v 5.0

Câu lệnh 26:

/imagine prompt: coloring pages for kid, Post-cyberpunk motorbike chase in a city overtaken by nature, featuring overgrown buildings and wildlife, capturing the clash between technology and the environment, 3D, stylized rendering with emphasis on the juxtaposition of nature and futuristic elements, --ar 16:9

Câu lệnh 27:

/imagine prompt: coloring pages for kid, Submarine motorbike race in a bioluminescent underwater world, featuring streamlined bikes and marine life, conveying the excitement and danger of racing in the depths, Photography, underwater shot using a waterproof camera with wide-angle lens, capturing the vibrant marine colors, --ar 16:9

Câu lệnh 28:

/imagine prompt: coloring pages for kid, Intergalactic motorbike race on alien planets, with futuristic bikes navigating through surreal landscapes, showcasing the diversity of extraterrestrial terrains, 3D, hyper-realistic rendering with attention to alien geography and atmospheric effects, --ar 16:9

Câu lệnh 29:

/imagine prompt: coloring pages for kid, Cyberpunk motorbike courier navigating through narrow, crowded streets in a megacity, capturing the speed and agility of the rider in delivering packages amidst the chaos, Illustration, digital art with a focus on urban details and cyberpunk aesthetics, --ar 9:16 --v 5.0

Câu lệnh 30:

/imagine prompt: coloring pages for kid, Urban motorbike stunts in a futuristic skatepark suspended in mid-air, riders performing gravity-defying tricks with city lights and holographic displays in the background, Photography, high-speed action shot with a fisheye lens, capturing the energy and skill of the riders, --ar 16:9

Câu lệnh 31:

/imagine prompt: coloring pages for kid, Steampunk-inspired motorbike expedition across a vast, mechanized desert, with riders on intricately designed bikes, encountering colossal clockwork creatures and mechanical sandstorms, Illustration, digital art with attention to steampunk aesthetics and detailed machinery, --ar 16:9 --v 5.0

Câu lệnh 32:

/imagine prompt: coloring pages for kid, Motorbike race on a ring-shaped space station, with riders navigating through zero gravity, emphasizing the challenge and excitement of racing in a three-dimensional environment, 3D, stylized rendering with futuristic space station architecture and dynamic camera angles, --ar 16:9

Câu lệnh 33:

/imagine prompt: coloring pages for kid, Apocalyptic motorbike gang roaming through a barren, war-torn landscape, featuring rugged bikes and scavenged tech, conveying a sense of survival and camaraderie, Photography, gritty and desaturated image with a telephoto lens, capturing the harshness of the environment, --ar 16:9

Câu lệnh 34:

/imagine prompt: coloring pages for kid, Cyberpunk motorbike courier chase through narrow, vertical alleys in a megacity, capturing the intensity and agility of the riders in a densely populated urban environment, 3D, realistic rendering with a focus on futuristic architecture and dynamic camera angles, --ar 9:16 --v 5.0

Câu lệnh 35:

/imagine prompt: coloring pages for kid, Interplanetary motorbike exploration on a barren alien moon, with riders navigating rugged terrain and uncovering mysterious artifacts, 3D, realistic rendering with attention to lunar landscapes and futuristic exploration gear, --ar 16:9

Câu lệnh 36:

/imagine prompt: coloring pages for kid, Cyberpunk motorbike gang in a sprawling vertical cityscape, with neon signs and holographic displays reflecting off skyscrapers, showcasing the rebellious spirit of the riders in a dystopian future, Photography, night shot with a wide-angle lens capturing the urban chaos, --ar 16:9

Câu lệnh 37:

/imagine prompt: coloring pages for kid, Motorbike expedition through an alien ice desert, with riders navigating frozen landscapes and encountering extraterrestrial ice formations, conveying the isolation and beauty of an icy adventure, Artwork, mixed media using digital art and frosty textures, --ar 16:9

Câu lệnh 38:

/imagine prompt: coloring pages for kid, Motorbike pilgrimage across a vast, extraterrestrial desert at sunrise, with riders on ancient-looking bikes traversing the alien landscape, capturing the sense of awe and exploration, Photography, sunrise shot with a telephoto lens, emphasizing the otherworldly colors, --ar 16:9

Câu lệnh 39:

/imagine prompt: coloring pages for kid, Motorbike jousting tournament in a virtual reality arena, with riders competing on digital bikes in a surreal, ever-changing landscape, showcasing the fusion of gaming and medieval traditions, 3D, stylized rendering with vibrant digital effects, --ar 16:9

Câu lệnh 40:

/imagine prompt: coloring pages for kid, Motorbike rally in a futuristic desert city, with riders showcasing customized bikes amidst towering holographic structures and dynamic energy, Photography, aerial shot using a drone with a wide-angle lens, capturing the futuristic cityscape and the variety of bikes, --ar 16:9

LỜI KẾT

Chúc mừng bạn đã hoàn thành hành trình sáng tạo này cùng chúng tôi! Chúng tôi hy vọng rằng qua ebook "Xe máy hiện đại trong tương lai và những chuyến hành trình," bạn đã không chỉ khám phá thế giới độc đáo của midjourney mà còn tìm thấy niềm đam mê và nguồn cảm hứng mới trong nghệ thuật vẽ tranh tô màu.

Midjourney không chỉ là công cụ, mà là một cánh cửa mở ra thế giới tưởng tượng của bạn. Việc tạo ra những chiếc xe máy hiện đại và đưa chúng vào những chuyến hành trình không chỉ là việc vẽ tranh, mà là hành trình tìm kiếm sự đổi mới và khám phá.

Chúng tôi muốn động viên bạn tiếp tục trên con đường nghệ thuật của mình, không ngừng khám phá, học hỏi và phát triển. Hãy để những ý tưởng của bạn tự do bay cao, và đừng ngần ngại thể hiện chúng qua đôi bàn tay tài năng của bạn.

Cảm ơn bạn đã dành thời gian đặc biệt để tham gia vào hành trình này với chúng tôi. Chúc bạn thành công và hãy tiếp tục làm cho thế giới nghệ thuật trở nên đa dạng và phong phú!

Hãy nhớ, hành trình nghệ thuật không bao giờ có điểm kết thúc. Nó là một cuộc phiêu lưu không ngừng, nơi mà sự sáng tạo của bạn không có giới hạn.

Chúng tôi hy vọng gặp lại bạn trong những chủ đề nghệ thuật mới cùng midjourney. Chúc bạn luôn đắm chìm và tận hưởng mỗi khoảnh khắc sáng tạo!

Trân trọng,
